FWBBC Seeks Women's Resident Director

NASHVILLE, TN—Free Will Baptist Bible College is accepting resumes for the position of women's resident director, according to Dr. Jon Forlines, vice president for student services and dean of students.

Dr. Forlines said, "The women's resident director position will be available effective August 1, 2010. We will be accepting resumes until April 26. We hope to have a decision by graduation on May 7. This is one of the most important roles in the college family, because this individual is responsible for day-to-day oversight of Polston Hall where our women students reside. We're looking for a spiritually mature individual who can offer direction and encouragement to the young women as they move through their studies and adapt to college life."

Individuals who are interested in applying for this full-time position are invited to e-send resumes to Mrs. Susan Forlines, dean of women, at susan@fwbbc.edu. Deadline to receive resumes is April 26.
