Lady Flames Cancel Basketball Season

NASHVILLE, TN—The 2009-2010 Lady Flames basketball season has been cancelled due to player injuries and a smaller than usual pool of players, according to Gary Turner, athletic director at Free Will Baptist Bible College.

Mr. Turner said, “We regret having to cancel the Lady Flames season. This is a disappointment for the Athletic Department and the promising players who are here this year.”

The Lady Flames are less than three years removed from their 2007 championship season when they won the ACCA Division II women’s basketball national title. However, the number of injuries and smaller player pool prevented first-year coach Jared Owen from fielding a team this season.

Turner said, “Coach Owen will continue to serve as assistant men’s basketball coach. Efforts are already underway to recruit Lady Flames players for next year.”
