### **Tina Tolbert Speaks at Canadian Conference**

NASHVILLE, TN—The 20<sup>th</sup> annual Women's Conference sponsored by the Atlantic-Canada Association of Free Will Baptists featured Free Will Baptist Bible College's director of adult studies Tina Tolbert. Miss Tolbert spoke three times on the conference theme, "Hiding in Thee," from Psalm 32:7.

Organizers Donna and Alexis Crabtree reported that 128 ladies attended the June 15-16 meeting at Serenity FWB Church in Frederickton, New Brunswick, Canada. This marks the first time the conference has not met at Saint John Valley Bible Camp which is owned by the Association.

Donna Crabtree said, "The camp was vandalized a few months ago and was not ready for the retreat this year. God knew in advance where it needed to be."

Conference attendee comments praised Tolbert's presentations:

—"I've heard nothing but good!"

—"I was challenged and encouraged."

—"On the Sunday after, the women of our church were testifying about how good it was and how much they enjoyed it."

Miss Tolbert, a member of the FWBBC faculty since 1999, previously served as a freelance trainer and workshop leader as well as on the faculties of Middle Tennessee State University and Nashville State Community College. She also directed a day care and preschool 12 years, and served on the faculty of the International Christian Academy in Ivory Coast, West Africa.
